- Kindly send a deposit for half the total amount. The balance is due no later than the day of performance, although many people prefer to settle in advance to free the day of celebration.
- Would you please confirm all information approximately one week before the event? We have never missed an engagement, but we all sleep better with confirmation.
- Thank you very much for including us in your plans. We will do our part to make this a very special occasion. Please phone us at any time to discuss musical selections. If you will be in the Princeton area, we encourage you to stop by for tea and conversation. It's more fun to work together in person, although this is not essential.
- Kindly sign both copies of this contact and return the copy that we have yet to sign.

A deposit of \$ \_\_\_\_\_ (half the fee) is enclosed.
